

5th May 2020

Dear Parents and Carers,

First of all, I would like to share with you my huge thanks and appreciation for all that you are doing to support your children at this incredibly difficult time. I know that you are all doing an amazing job in helping the children with their learning but also supporting them at this time. Please remember that we are here to help and that we want to support you.

At a time when many people are adding extra pressures to themselves we need to accept that we will all make mistakes but that we are doing our very best in these very difficult circumstances. In this light, if you do need any help with any aspects of learning or support with your children or if there is any other way that we can help, please do not hesitate to contact your school or, alternatively, our dedicated helpline **07944 224 266**.

The changes to the way we live are going to be here for some time and we will all need to work together to try to return back to some form of normality. Our schools will continue to plan and develop in line with any government guidelines that we are given and we will also be here to support our parents in any way that we can.

Thank you again for all you are doing and please know that by us all working together we can achieve for all and come through this current situation stronger as a community.

Best wishes,

Paul Harris
CEO of The Tapscott Learning Trust
Executive Head Teacher of Curwen Primary School
