Leading the way on inclusion

Kensington Primary School, part of The Tapscott Learning Trust has continued to deliver its fantastic inclusive approach. This and been recognised in the recent reaccreditation of their Flagship IQM status. Inclusion is an essential part of the work at the school and recognised by the assessor:-

"Kensington Primary School does not stand still. Staff at all levels are reflective and are always looking to improve their practice. The school has strong leadership and the Leadership Team and middle leaders are very determined to continue to make Kensington Primary School an even better school, leading the way on inclusive policy and practice. They have much to be proud of."

We are very proud of this achievement and the deserved recognition of what the school is achieving.
