

3rd September 2026

Dear Parents and Carers,

I hope that you all are well and that you have enjoyed the summer break and the very hot weather that we had.

Over the holidays, the teams at our schools have been working really hard to ensure that each setting was ready for everyone's return this week. We are incredibly grateful for the hard work that has been done during this time, making sure the schools are clean and well managed.

I would like to take this opportunity to welcome all of our new parents, children and families to the trust. It is fantastic that you have chosen our schools, and we look forward to working with you over your child's time in education.

So now we start our new academic year, which I know will be full of opportunities as we work together to give our children the very best to ensure that they develop and thrive during their time with us at school. We are honored to be a part of the journey in their lives.

As always, we are working hard to deliver the best education with the resources that we have at hand, which do continue to be very tight due to the economic climate. I just wanted to thank you all in advance for your support and understanding for any changes that we need to make to ensure that we can focus on the most important thing, the children. I am sure that there will be loads of exciting things happening over the year that you will be able to engage with. As a trust, we are rightly proud of what we achieved last year and what we continue to achieve in our communities and for our children.

I am delighted that you are part of the trust and I am looking forward to working in partnership with you over the coming year. Please note that each of our schools have their own dedicated website, and very helpful staff should you have any queries.

I look forward to another successful year!

Paul Harris
