

TTLT PUPIL PARLIAMENT

2021-22

Introduction

2

Importance of Working Together

- We can share ideas & inspire each other
- Come up with creative ways of doing things
- Speaking and presenting skills
- Affect greater change
- Feel like part of something bigger

What we want to achieve together in 2021-22

- Improve the physical and mental health of each school
- Raise money for a charity/work with a charity
- Raise the profile of the Pupil Parliament (Pupil Profiles)
- Share our ideas for improving each school
- Get to know one another and learn more about the other schools in the trust (school council conferences)
- Public speaking & confidence sharing during online meetings

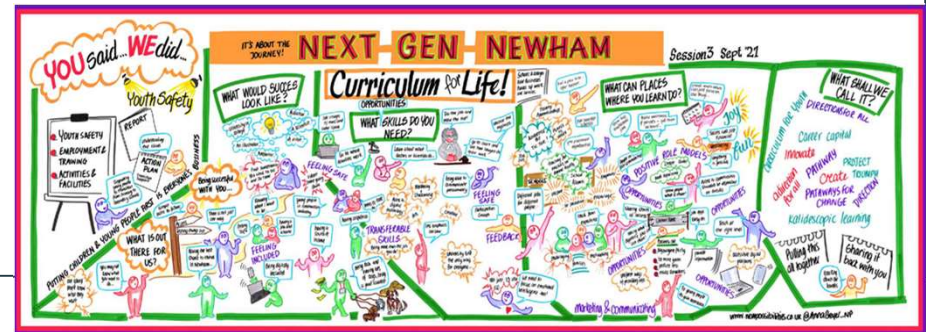

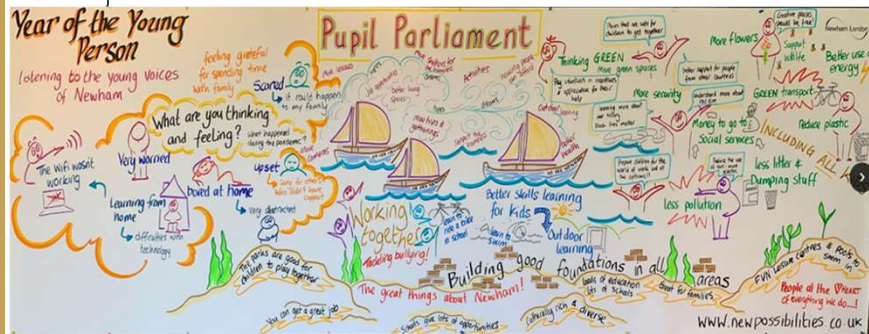

How we will achieve this

- Joint events & fundraisers
- Each School Council develops their own ideas
- Meeting every half term
- Face to face/online/trips

Our Projects

6

1. Newham Next Generation: **Year of the Young Person** - Our partnership with them is ongoing through 2021-22.
1. Helping others - various activities led by children
1. Physical and Mental Health - various activities to support our school's SDP

**So... What have we⁷
been up to?**

Debating skills & conundrums on www.classdojo.com -

Lately, we have been using this to practice our debating and public speaking when leading class assemblies. We lead discussion of the pros and cons between 5 different options in a tricky situation. We have done the NASA and weather conundrums so far. This website also has a random dojo feature for equally distributing classroom jobs & achieving dojo points .

ClassDojo

www.GetSet.co.uk - Beijing - We have been using this in class assemblies and then at home with our families to keep us active and fit. Each year group competes to log activities which are calculated into a distance between London to Beijing, where the Olympics and paralympics were held. Year 5 and year 2 are in the lead, each having reached the summit 6 times! The rest of us are hot on their heels!

**Should The Corporation be able to
sell what they created?**

BOUND FOR BEIJING

Discover the Bound for Beijing challenge and join children and their families getting active together.

Mental Health

- Kindness Week
- Anti-Bullying Policy
- Positive playground areas

Physical Health

- Healthy eating - menu tasting
- Street Tag relaunch

Other achievements

- Green Flag School & working with the Eco-Champions

As a school, we worked together to collect gifts to fill shoeboxes as part of the Operation Christmas Child collection. We managed to send off over 60 boxes!

Ms Elisa, our Place 2 Be lead, has been helping us promote Place 2 Talk across the school so that all the children know how it can help us.

One of our whole school, DAYS 4 US, was all about positive relationships. We are keen to move away from our 'traffic light' behaviour policy to something that helps us understand and explain our behaviour and feelings a bit more.

14

- Public Speaking: learning to lead class assemblies is nerve-wracking and challenging BUT oh so very rewarding!
- We are working on how to deliver information and collect pupil voice using technology and presentation skills.
- How to share ideas and have meetings online
- Run our own meetings by electing a Chairperson.

And any questions?
