

*this is
my
story*

**The Tapscott
Learning
Trust**

*Working together,
achieving for all*

Radia Bensafi is a committed, trustworthy and dedicated mother of four who has been on the Ranelagh journey for the last 10 years. Radia's journey started with Ranelagh when her son joined EYFS .

Who are you?

My name is Radia Bensafi and I am a parent of four children who have all attended Ranelagh primary school . I live in the local area and have lots of love for the school and all the staff there.

What is good about Ranelagh?

When my son started school, I didn't know that my child had needs until the school helped me get him assessed for Autism. I am so grateful to the school for doing this as they supported me in finding resources for his needs.

I also love the PTA .. I have been part of this for nearly 8 years .. I am a link member for events at the school so am very busy organising events with Mrs Sheikh. I also help out with school trips, parents evenings and sometimes translate for other parents who speak arabic. Last month I completed a family course called Nutrition Kitchen . In this course, I was able to cook every week with my family and also do exercise . It was brilliant and free too.. I also brought my neighbours with me who couldn't speak English and wanted to learn about healthy foods.
