Learning
Trust**

*Working together,
achieving for all*

World Book Day

World Book Day is a major event in all of our schools across The Tapscott Learning Trust. Reading is essential to us all. Schools took part in many ways from dressing up as characters, learning about authors, making sandwich boards to show our favourite books and reading books in first language.

Everyone took part and not only had a great time but celebrated the wonderful world of books and reading feeding our imagination. A big thanks to everyone taking part!
