

*this is my story*

Hi, I am Danny Hill and I have been an Assistant Site Supervisor at North Beckton Primary School since October 2018.

Before joining the Tapscott Learning Trust I was working primarily for the London Borough of Tower Hamlets in estate maintenance and management.

I have lived in the area all my life and wanting to both expand my work experience and make a difference to my community, I applied for a role at North Beckton, got the job and have never left.

My main role is to maintain the fabric of the building and ensure that everything is neat and tidy and that the children's learning can go on without any hitches or problems at all. I also have the vital role of dressing up and helping with giving out presents to all the pupils during Christmas – even though I suspect that they know who I am by now!

I really enjoy working at the school as it feels like one big family unit, all working together for the benefit of the pupils who attend and that we really do all belong. I am proud of the job I do and that I contribute directly to making sure that the learning environment of the children is the best that it can be.

Mr Daniel Hill  
Assistant Site Supervisor  
North Beckton Primary School
