## Outwards Bounds

On 28th-30th March 2023, Kensington Primary School took their Y5 children to The Hertfordshire Young Mariners Base for an amazing watersports residential. They stayed at the Lee Valley YHA lodges next door. The children enjoyed a range of different activities such as bell-boating, raft-building, paddle-boarding and kayaking; all delivered by qualified instructors with the help of teaching staff. Residential such as this offer so much for our children and help them develop confidence, resilience, communication and leadership skills; as well as providing a truly memorable experience that children never forget!

Prospective families are welcome to arrange visits at any time.
