## Stubbers Year 4

**Year 4 went on a fantastic trip to Stubbers Adventure Centre. With over 35 fun-filled activities to take part in, we definitely made the most of the experience! We took part in structured action-packed sessions across land, air and water, helping our children develop a range of skills, build confidence and most importantly, have fun! We needed to use many of our Curwen core skills throughout the day, including teamwork, communication, resilience and leadership. The children and staff all had a great day together as a year group!**
