"A place everyone loves to be"

The Running Headteacher

The playground is one of the most important parts of a school. It is where children can be free to play, socialise and have fun. Our playground is the heart of our school, where we bring our families together and celebrate throughout the year. It is where lifelong memories are made and it is a space that is so special to each and every child, as many of our children live in accommodation where there is little to no outdoor space for them to play. Our current playground is a concrete jungle, lacking inspiration and is in dire need of a renovation. We would love to raise funds to create a playground that enables our children to feel safe, explore and create the best memories!

As part of this, Mr Levinson Executive Headteacher at Kensington Primary, will be running an Ultra Marathon on Monday 19th June starting and finishing at the school to coincide with the launch of National School Sports Week.

Can you help by sponsoring him?
