## Big Walk and Wheel

**It is official. Curwen Primary School was ranked at 5th place out of 1026 large schools in the United Kingdom for the Sustrans Big Walk and Wheel that took place from 20–31 March 2023. Altogether 2772 primary and secondary took part in making active journeys to school, improving air quality in their neighbourhood and discovering how these changes benefit their world. Even though the Sustrans Big Walk and Wheel has come and gone, our pupils still continue to make good choices in travelling to school using sustainable modes of travel.**

**Prospective families are welcome to arrange visits at any time.**
