Learning
Trust**

*Working together,
achieving for all*

*this is
my
story*

Jennifer Hayward

My name is Jenny and I am both a parent and now a member of staff at Curwen. My eldest child started at Curwen in year 2 and we haven't looked back since as the school is amazing! She is now 15 and going into year 11, but I still have 2 children attending Curwen. We were recommended to move to Curwen when we moved house, and are really pleased that we did. I got a job here 4 years ago when my youngest started full-time school. I work in the Inclusion Team and it is really nice to work alongside a wonderful team that feels like a family. I always look forward to the special events at school such as the yearly Carnival. I used to love watching as a parent, and I still love being involved as a member of staff. Curwen really is a wonderful TEAM.
