Learning
Trust**

*Working together,
achieving for all*

*this is
my
story*

Maryam Tabasi

I am Maryam and I am in year 3 at Curwen Primary School. I really like being a Class Buddy at school because I like having a job! It is my responsibility to help anyone that is new to settle in at Curwen. I help make sure that they know what we are learning, where the toilets are, what to do at lunchtime and make sure they have some friends. My favourite lesson is Art because I like doing colourful paintings and being creative. I am very good at the Curwen Core Skill of empathy because I always care for other people and can understand how they feel. I would like to let other people know that Curwen is a very nice school and we all show RESPECT.
