

The Tapscott Learning Trust Annual Report

2018/19

I am so pleased to see The Tapscott Learning Trust producing such an excellent report for the parents, families and carers who choose their schools to educate their children. I believe strongly that parents have a right to understand what the Trust believes in and what the success stories are for all of the schools in the organisation. The model that this Trust has developed is, in my view, one of the best I have seen and I look forward to the day when this is something that we see in every multi academy Trust across the country.

BEST QUALITY
EDUCATION
FOR ALL

Welcome from CEO *Paul Harris*

As we continue to develop, I can proudly say that 2018/19 has been a very successful year for all involved in our Trust. We are incredibly proud of the outcomes that you will see across this report and our communities' satisfaction with what we provide.

In April 2019, we welcomed North Beckton Primary School into our family of schools. Each setting has a very clear, ongoing focus for improvement and growth, and this is key for us. As a Trust, we ensure that our schools have everything they need to flourish and to ensure that parents and carers living in and around our school communities see a Tapscott school as their first choice.

Our first Annual Report was extremely well-received and was praised across the country as an example of best practice. I am proud to be able to develop this report to ensure that it gives you a flavour of the huge amount of work that has been achieved.

We continue to be committed to investing in and delivering an outstanding education for every pupil in our care. Our schools are united in ensuring that we provide our children with the best start in life and the skills to be successful in moving through their education, leaving them well-prepared for their futures.

I would like to say a huge thank you to our wonderful staff whose dedication and hard work has led to great outcomes for our children. As a Trust, we work hard to support our staff in their development and to ensure that all of our children receive an excellent quality of education.

This is an exciting time for us and we are eager to see what the future holds for our schools, and for those that may join us in time.

Paul Harris
CEO
THE TAPSCOTT LEARNING TRUST

PARTNERSHIP
IS KEY

Welcome from Chair of Trustees

Andi Smith

I am extremely proud of the incredible achievements of our family of schools during this year and I believe that we have gone from strength to strength since the formation of The Tapscott Learning Trust in September 2017.

As a Board of Trustees, our job is to create a clear vision to help set the ethos and strategic direction of the Trust and to challenge and to hold to account leaders in terms of educational and financial performance. I believe that this, our second Annual Report, demonstrates clearly that this has been achieved.

I am very proud to lead a team of extremely skilled Trustees and Governors, as well as to work with exceptionally great leaders at all of our schools. I believe that we have combined our strength and experiences to ensure consistently high outcomes for our pupils.

In terms of governance, we go further than many other Trusts by reinforcing our structures by having governors from each of our each schools Local Advisory Board sitting on the Trust's sub-committees. This ensures that we are able to use the specific insights of all Trustees and Governors to support our future improvements.

I am certain that one of the unique characteristics of this Trust is our ethos of partnership: from the amazing partnerships of our schools, working with other settings, the local authority or other groups. Our vision is to build on this by forming a platform for other schools with a similar vision and ethos to join us for the mutual improvement of outcomes for all pupils and to support other schools in researching these, working collaboratively and leading in best practice

I hope this Annual Report is useful for showing the wonderful achievements of our schools during 2018 and 2019.

GOVERNANCE

To ensure effective governance at all levels offering excellent challenge and strategic support
 TTLT MISSION, VISION & AIMS

We currently have eight board members and, with the exception of our CEO Paul Harris, no other Trustee is an employee of either the Trust or its schools. We believe that this separation of responsibility is crucial.

Our Members:

- Catherine Brown
- Marcia Wilson
- Joy Laguda
- Rashmi Makwana
- Andi Smith

Our Members oversee the work of the Board of Trustees to ensure that we are delivering and adhering to the agreed vision and values of the organisation. The majority of our Members come from our local communities.

Our Trustees:

- Andi Smith – Chair of Trustees
- Maggie Cameron-Ratchford
- Amanda Gill
- Diana Higgins
- Jacque Robertin
- George Spentzos
- Kate Shurety
- Paul Harris

Trustees are responsible for the strategic leadership of the Trust, ensuring that it adheres to the agreed mission, vision and aims as well as being accountable for driving educational standards and financial good health.

Local Advisory Boards (previously Governing Bodies) are set up across the schools, they consist of:

- two elected parents
- one elected member of staff
- the Head Teacher
- two people appointed by the Board
- three other people appointed by the Governing Body

This team oversee the running of the schools in terms of learning, standards, safety and wellbeing. They ensure that the schools leadership teams are held to account for academic performance, providing high quality education and quality of care, as well as monitoring budgets.

TRAINING HUB ACHIEVEMENTS

The Training Hub has accomplished a remarkable amount of success in the 2018-19 academic year. It has continued to build upon its successful start in our first year, and has seen the Hub grow both in the programmes offered to staff but also in developing our reputation within and outside the borough.

We have continued to offer and deliver professional development in our core areas, as well as improve, grow and progress many of these programmes further. These have included the TTLT leadership programme, subject network meetings, moderation, bespoke leadership packages, NQTs, AET and sports development.

The Training Hub has also continued to offer training outside and developed new courses for areas in EAL and Geography, as well as expanding the Sports CPD offers. We began our new Further Development of Teaching and Learning programme which aimed to give early career teachers further support beyond their NQT year.

FINANCIAL OVERVIEW 2018/19

FUNDING

The majority of the schools' funding is received from the DfE/ESFA (Department for Education/ Employment and Skills Funding Agency) as restricted funds. Total received in 2018/19 was £12,432k; the schools also received funding from the Local Authority of £2,392k and other income of £235k (2%). The income breakdown is shown on the chart to the right:

Finance Summary

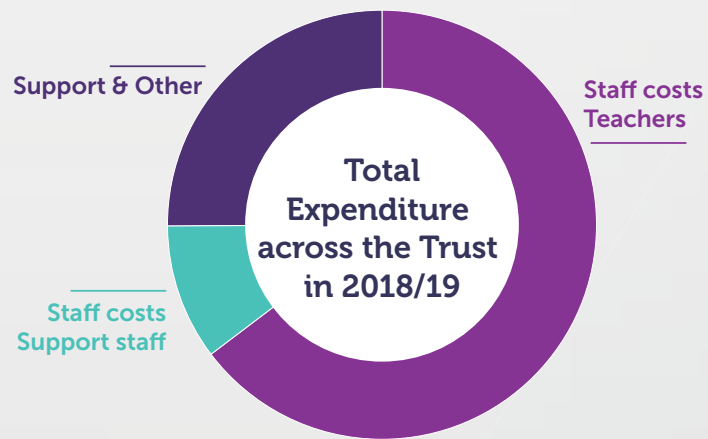

The Trust ended the academic year September 2018 to 31st August 2019 in a good financial position and with healthy reserve funds, which are used for educational purposes as necessary across the schools.

EXPENDITURE

The main activities of the schools is provision of education and this is what the majority of expenditure was on. The largest part of the funding was spent on staff salaries (teachers' salaries - 65% & support staff salaries -10%). Other expenditure relates to technology, governance as well as fixed assets depreciation.

Average spend per pupil across the Trust in 2018/19 was £6,750.

To ensure that the Trust is wholly self-sufficient and operationally secure

HIGHLIGHTS

Successful funding application for £324k for works to improve two of the Trust's school buildings

The schools moved to SchoolMoney- an online cashless system which enables parents to pay for various items including school visits, uniforms etc

During the year, the Trust purchased a new finance package which is cloud based and enables more efficient management and oversight of income and expenditure

Achieved efficiencies on some major contracts across the Trust

What we have worked on this year...

Our main priorities for 2018/19

WELLBEING AND SAFEGUARDING

We take the wellbeing of our staff and pupils extremely seriously and offer a whole range of support.

All schools work with Place2Be, the children's mental health charity which works with pupils, families and staff providing counselling and mental health support.

The Trust also works with HeadStart Newham which is a mental health service working closely with schools and the community to transform how young people and their families are supported to stay emotionally healthy.

All schools successfully completed external audits for safeguarding.

During the year Kensington Primary were asked to contribute to the Department of Education's Workload Reduction Toolkit. In May 2019 the Education Secretary, Damian Hinds, addressed the National Association of Head Teachers at their annual meeting and one of the subjects he was very keen to highlight was workload in schools, using Kensington as a best practice example!

97%

of school staff said that they love working in the Trust

We will ensure that safeguarding is non-negotiable and consistently applied in all school settings

What we have worked on this year...

Our main priorities for 2018/19

- ✓ To build on and strengthen our relationships with other settings, professionals and parents in order to drive improvement in our own setting and to instigate improvements in early years settings in Newham
- ✓ To review and fine-tune current moderation and assessment systems to enhance teaching and learning in our setting and beyond; promoting staff wellbeing whilst still maintaining high levels of staff performance
- ✓ To further develop a strong sense of community for our staff, students and families through nurturing their welfare and wellbeing and fostering commitment and engagement
- ✓ Through moderation, robust assessment and targeted support, outcomes for all children will be improved both in the setting and when they leave for Reception

OTHER PARTNERSHIP WORK

The Tapscott Learning Trust's Mission, Vision and Aims statement sets out very clearly that our schools work in partnership, whilst keeping the unique characteristics that allow each school to meet the needs of its local and wider communities.

During 2018/19 we continued to work in partnership with the local authority to ensure the best for all children in Newham and this saw members of our staff working on a range of different projects across the borough.

We supported a range of schools in both the local and wider areas in school development, sharing effective practice through our Training Hub and also as a national support school. In addition we completed a project working with a local school on school improvement which then saw them significantly increase their results and gain a successful outcome with Ofsted.

Staff across our schools worked at national level in developing educational practice by joining, and working with, subject societies and other expert practitioners. Staff also took part in a national programme through the Department of Education for improving wellbeing and assessment in schools.

To form a platform with other schools with similar visions and ethos

The two main aims of the Sports Hub are:

- To create opportunities for children to learn, collaborate and compete through school sport
- To provide high quality support and CPD to empower all staff to deliver high quality P.E lessons

The TTLT Sports Hub expanded this academic year to ten schools with six Newham schools joining us.

We continue to deliver our Girls Active and SEND Festivals working in partnership with UEL, New Vic College and National Governing Bodies.

Football | KS1Mini Olympics | Athletics Paralympic Festivals | Tag Rugby | Cricket Girls Active Festivals | Handball Gymnastics | Basketball | Table Tennis.

PUPIL PARLIAMENT

The TTLT Pupil Parliament is made up of some of the elected members of each of the four school councils. These pupils meet up regularly to share experiences and to discuss progress about their agreed shared projects.

As part of their work this term, the Pupil Parliament attended WE Day 2019, a celebration of young people making a difference in their local and global communities and this event was also attended by The Duke and Duchess of Sussex (Prince Harry and Meghan Markle).

In March, the group also met with Members and Trustees of The Tapscott Learning Trust to explain just how important their work is.

The Pupil Parliament are outstanding ambassadors from our schools who confidently articulate their successes, ambitions and plans - what a credit they are to us!!

Andi Smith, Chair of Trustees

TARGETS

- To promote pupil voice within The Tapscott Learning Trust
- To develop our role and learn to work with the Trustees, CEO and Head Teachers

Pupils will have an effective voice in the work that we do

THE TAPSCOTT LEARNING TRUST AWARDS

In July 2019, TTLT held its second annual awards night at Here East which is situated in the Olympic Park, Stratford. The evening recognised our wonderful pupils, staff, volunteers and communities and was a fantastic celebration of all that we hold dear. We would like to thank our sponsors for enabling us to hold this prestigious event.
