# Further Development of Teaching and Learning Programme

## ARE YOU?

An ECT in their 2nd year or maybe a teacher in your 3rd or 4th year of teaching?

Looking to develop your practice and challenge your thinking?

Our FDTL programme is a collection of engaging face-to-face sessions providing an opportunity to challenge thinking, evaluate current practice, trial new strategies and develop as better practitioners through an evidence based approach.

- ✓ 12 half day sessions covering many aspects of T&L (See back of leaflet for session details)
- ✓ Full flexibility! Sign up for all, or pick and choose those that suit!
- ✓ For all ECTs - this will cover many aspects of the requirements for year 2 of your ECF programme!

**All sessions to take place at Ranelagh Primary School, Newham**

*The FDTL programme has enabled me to continue to discuss and develop my skills learnt in my ECT year. In addition, it allows time for connecting with other like minded teachers. There have been a variety of training sessions which have takeaways which can be transferred between different primary key stages. It also offers really effective, practical training with lots of new, up to date ideas that I can use in the classroom.*
